FAMILY FEELINGS

From
Rati Tandon

I have lot to say about them. I have been an ardent admirer of Chacha and Chachi who have stood as a rock pillar through thick and thin and the most fascinating thing is their gentle smile in all walks of life, not revealing their pain to anyone and have always stood strong in every occasion. They have always been a great source of motivation to all of us, their guidance always pivots around happiness of all our family members. We are blessed to have them and wish tons of happiness for them.

Golden Celebration: 50 Years of Love and Devotion Today, we gather to honor an extraordinary couple, Masi and Masarji as they celebrate a remarkable milestone – their 50th wedding anniversary. Five decades of marriage, laughter, and adventure have only strengthened their bond. Through life's joys and challenges, they've stood side by side, a testament to the power of enduring love. With gratitude, respect, and admiration, we recognize their commitment to one another. Here's to many more years of happiness, harmony, and togetherness! Fondly remember Masi's yummy dahi Vada, papdi chat, matar and pickles. our frequent visits to Mirzapur and watching movies with her in the theatre. masi you are like a mother figure to me. Masarji I am still scared of the injection and I still remember when we were not well you used to tell mummy I will come home and see .i remember you coming home everyday to meet papa and both of you used to greet each other by saying haa Sahab.... where ever papa is today must be very happy for you and must be saying aaj tau Sahab aapki ginni Banti hai.... Remember when my marriage was fixed how you and papa were crying and you went for buying best fruits for my marriage....I can't imagine of not calling you when we are not well....

मेरी तरफ से दीदी और जीजाजी को साथ में बिताए 50 अविस्मरणीय वर्षों के लिए बधाई! इस स्वर्णिम मील के पथर पर आपको अनंत खुशी और प्यार की शुभकामनाएं। दीदी और जीजाजी का एक दूसरे के प्रति समर्पण हम सभी के लिए प्रेरणा का स्रोत है। एक दूसरे के सुख दुःख का दोनों ने बहुत ख्याल रखा है। दीदी जीजाजी से जब मैं मिलती तो इनके व्यक्तिगत से बहुत प्रभावित हुई और इतने सालों में एक दूसरे और हम सभी के प्रति कोमल व्यवहार देखके और प्रभावित होती चली गई। जीजाजी तो हमेशा स्मार्ट एंड एनर्जेटिक और दीदी ने हमेशा खुले दिल और बेहद प्यार से हमसे बातें की। आपका प्रेम 50 वर्षों से पूरी तरह से तालमेल बिठाने वाली सिस्फ़की की तरह है। आपके प्यार का संगीत अनंत काल तक बजता रहे।
